

Just For Kids Preschool & Long Daycare Centre

From the office:

Firstly, we would like to start by welcoming our new children and families to Just for Kids. We hope you are all settling in nicely and enjoying your interactions with us at Just for Kids. If you have some time, please complete our Orientation and enrolment survey and return it to your child's teacher.

We would also like to remind families to sign in and out each day. Many children are not being signed in and out, and this will affect your CCS payments.

QUALITY IMPROVEMENT PLAN...

In our centre foyer each month we have a "Question of the Month" for families to provide feedback on an area of our centre's practices and procedures. This feedback is then used to reflect and improve our centre in this area. We encourage all families to read the question of the month and offer their feedback, whether it be good or not so good, so we can continue to improve our services and provide you and your children with high quality childcare and education.

This year we have introduced the STE(a)M program into our weekly curriculum once per week. Please speak to your centre director or child's teacher for more information on session times, or if you would like to enroll your child.

Philosophy Update:

We have recently updated our Philosophy and it is now on display in the centre foyer. Thank you to those families who provided feedback into our philosophy revision. Please take the time to read the new philosophy.

Educator shout out board!

We have an "Educator Shout Out Board" located in our centre foyer, for families to share a little love and appreciation to our educators for all the love, care and effort that goes into not only caring for the children, but also for all the planning, observations and interactions that goes on too.

So, if you have some time please share a little love. A little bit of kindness goes a long way to make someone's day!

FAMILY INVOLVEMENT...

We are always looking for fun new learning experiences for the children, and parent and family involvement plays such a big part of our planning and programming. We love to have families join us for experiences with the children so if you have some spare time, and would like to come and do a cooking experiences, share your profession, cultural traditions or have a special talent you would like to share with us such as a musical instrument or sporting talent, please feel free to have a chat to your centre director to organise a time for you to come and engage with the children! We would love to have you, and so would the children!
